SEASON: The CBYBA season will consist of a 10 week/game regular season typically starting the first week of December with a double elimination tournament after the season ends. Regular season games will typically be played on Saturdays. Tournaments may be played any day(s) of the week. Tournaments TBD for 3rd grade teams.

ENTRY FEE: The entry fee will be \$75.00 for each team. All fees must be paid to the treasurer prior to the start of the first game. The CBYBA reserves the right to decline a team or franchise from participation in the league. Each District is responsible for securing their respective insurance.

OHIO HB 143 CONCUSSION LAW: All District Reps, Coaches, Assistant Coaches, and Referees must complete a course on concussion and return to play. The following free online training courses have been approved by the Ohio Department of Health for coaches and contest officials:

National Federation of State High School Associations Concussion in Sports - What you Need to Know: <http://www.nfhslearn.com/electiveDetail.aspx?courseID=38000>

Centers for Disease Control and Prevention Heads Up Concussion in Youth Sports On-Line Training Program: http://www.cdc.gov/concussion/HeadsUponline_training.html

Both courses will allow a certificate to be printed. Each district will be responsible for ensuring that they have copies of the certificate for each coach, assistant coach, and referees used in their district.

AGE: All players must play in their grade. A player may play up one year or grade, providing a team in their age bracket is not available and with the approval of the league. Failure to do so will result in expulsion of the player from the league.

ROSTERS: Rosters will be drawn for initial teams starting in the 3rd grade. A draw is necessary for any district fielding more than one team in a division. All districts will be responsible for their own draws with a representative present from a visiting district. Rules for draws are:

3rd grade - If multiple teams are being formed in either boys or girls, coaches shall come to the draw with their own child (if a parent) and one assistant coach's child (if a parent) preselected on their roster. Should a coach and assistant coach not have a kid/kid on the team, they will have first pick in the players remaining to be drawn (in alternating fashion if more than one coach is involved). Once all teams are even with 2 players, a blind draw will determine order of selection by coaches. A blind draw will then be used to position remaining players to a team. Coach A will draw first, Coach B second, Coach C (if needed) will draw third and fourth player, Coach B will draw fifth player, Coach A will draw fifth and six players, and so on until players are all selected. Once teams are formed, rosters shall be made at the draw with the home district rep and the visiting rep signing off on rosters, and copies shall be forwarded to the CBYBA Advisory Board. It should be noted which Coach had last selection and in what order additional players would be added to each team.

4th grade – Teams would remain the same. Should new players sign up, they will be added to team with fewer players until all teams are even in numbers. This selection will be made by the head coach in alternating fashion if necessary. Remaining players will be drawn by blind draw with an additional blind draw determining order the coaches choose.

5th grade – Teams would remain the same. Should new players sign up, they will be added to team with fewer players until all teams are even in numbers. This selection will be made by the head coach in alternating fashion if necessary. Remaining players will be drawn by blind draw with an additional blind draw determining order the coaches choose.

6th grade – Teams would remain the same. Should new players sign up, they will be added to team with fewer players until all teams are even in numbers. This selection will be made by the head coach in alternating fashion if necessary. Remaining players will be drawn by blind draw with an additional blind draw determining order the coaches choose.

The draw must be completed first weekend in November with copies sent to the CBYBA via the district rep. Players may be added up to the first game of the season at the discretion of the district. Should players be added, the order will follow the same schedule established in the October draw with the same visiting rep present. New copies must be forwarded to the CBYBA.

During league and tournament play, all **teams are required to present a printed (and valid) team roster to the home scorer's table that includes player first/last name and jersey number.**

Player/Team Conflicts – Players will only be re-allocated after draw if heard and approved by the CBYBA Advisory Board. No players will be moved after the first game of the season.

RESIDENCE: All players must play for the school district that they live in or the school district that they attend, should there be a team option for them. With the following exceptions: If a player moves after the roster deadline, the player will be able to continue playing for the team that they originally signed up with. If there is not a team available for a player in the district they live in, the Advisory Board should be contacted for placement. Children who are home schooled or attend religious schools may play for the school that they would normally attend.

OTHER TEAMS: Any player may play for any other teams outside of CBYBA, but only for one team inside the league. Violation of this rule will result in the expulsion of the player from the league, as well as other possible team related consequences. If a team is competing in more than one league in the same season; that team will be required to pay a refundable \$100 deposit. This deposit will be refunded at the completion of the season (paid to league rep); given the team has not forfeited or failed to show up at regular season or post season game. Any player that is rostered on one or more teams outside of the CBYBA must participate and play in 75% of CBYBA games during the regular season. Any violation of this rule will result in the individual player being expelled from any post season game(s).

COACHES: No more than two non-playing people are permitted on the bench. This number includes the two coaches only. Violation of this rule will automatically result in a bench technical foul. Head coaches must be 18 years old. Only the head coach can stand within a 14-foot coach's

box marked on the floor. Only two coaches from each team will receive free admission to the games.

CONDUCT: Each coach must control their own players, spectators, and themselves. A coach, player or spectator who is ejected from a game will also be suspended from their next regular or post season game. Any player, coach or spectator ejected will not be allowed in any CBYBA gym for the remainder of that day.

Two ejections excluding technical fouls (coaches, players, or spectators) in the same season will result in the offending party being suspended for all remaining games, regular and post season.

Physical abuse, abusive language and or harassment by a spectator will result in the automatic ejection from the gymnasium. The CBYBA has a ZERO tolerance for any contact with referees.

The referee or site administrator will inform the coach or coaches of the offender (s). Play will not resume until this person/people have left the gymnasium. Any refusal to leave will result in the offending team's forfeiture of the game.

Information regarding the ejection of a player, coach or spectator must be forwarded to the CBYBA Advisory Board so that proper action may be taken.

The CBYBA has the authority to dismiss or rule ineligible any player, coach or spectator who violates the rules and or mission statement of this organization.

SPORTSMANSHIP: The CBYBA advisory board has the right to determine; that if any CBYBA participant's (coaches, players, spectators, referees) sportsmanship does not adhere to the standards of the CBYBA organization; the participant is subject to any penalties/punishment that the CBYBA deems necessary.

PLAYING TIME: All players on the roster who are seated on the bench must play one full quarter (no substitutions), in one of the first three quarters. The team with the smallest number of players will determine the number of new players the opposing team has to start in the 2nd quarter.

Players that have played their mandatory quarter may be substituted freely for the other players that have played their mandatory quarter.
